

DEPARTMENT OF STATE AGREEMENT

WE NENP

4/28/82

July 29, 1977

Dear Ms. Miller:

I'd like very much to participate in the small meetings, but must face the reality that my present duties require such an enormous amount of time that there is simply no free space to pursue other strong interests.

Reluctantly, then, I ask that you go ahead and remove my name from your computer mailing list.

Sincerely,

Patricia M. Derian
Coordinator for Human Rights
and Humanitarian Affairs
